

JEAN MADELINE
AVEDA INSTITUTE

State Authorization Disclosures

Licensure Programs: All of the programs offered at Jean Madeline Aveda Institute meet the educational requirements for the state of Pennsylvania to become licensed.

At the present time, Jean Madeline Aveda Institute does not have information for each state on whether or not the programs offered will meet each state's requirements. Due to staffing challenges and closures resulting from COVID-19 we have been unable to acquire this information in full. If a student wants to investigate the portability of a license from Pennsylvania to another state, Jean Madeline Aveda Institute's Student Services Director will assist the student with that investigation.

Credit Transfer Transfer of credit information is found in the school catalog.
